Hearing held June 13, 2011

I issued an award on December 10, 2010 in which I acknowledge the potential for juvenile arthritis and joint pain to have been caused by contaminated water. However, no evidence had been presented to meet the burden of proof. I adjourned these matters to allow a "final opportunity" to proceed with these claims. June 13, 2011 was the scheduled date for hearing. Counsel attended. The claimants did not. No supporting evidence is available. Accordingly, these claims are dismissed.

DATED the 13th day of June, 2011.
